EXCLUSIVE INVITATION

Residential Summer Vibes

At RESIDENCES at Hard Rock Hotel Davos, our designers are composers, and lyricists who invite our inner music to play freely in the visual rhythms, tones and colors of our homes. Here every note is artfully chosen and dynamically composed and arranged.

We are delighted to invite you to experience the unique vibe during weekdays or on the weekend including a Welcome Dinner.

Find your right apartment, ranging from 60 m² to 128 m², located in the heart of Davos and enjoy all the advantages of being a Hard Rock Hotel Davos habitué.

Looking forward to welcoming you soon!
